

FOR IMMEDIATE RELEASE

December 19, 2025
Nichirei Corporation

Received the Excellence Award at the Daiwa Internet IR Commendation Awards 2025

Nichirei Corporation has received the Excellence Award at the Daiwa Internet IR Commendation Award 2025, selected by Daiwa Investor Relations Co. Ltd. This marks the seventh consecutive year that we have received the award.

The Daiwa Internet IR Commendation Award 2025 evaluates and scores the IR websites of listed companies using unique criteria based on the 5 T and Cs (Timely, Transparent, Traceable, Trustworthy, Total and Communication), which state that corporate IR will be subsumed by the internet. This award selects companies that have built particularly excellent IR websites and are using them effectively for information disclosure and communication activities.

Going forward, we will continue to strive for timely and appropriate information disclosure and continuous improvement of our corporate website, as well as proactive communication to build relationships of trust with all stakeholders.
